**Statement Regarding the Coronavirus**  
**March 18, 2020**

My Dear People,

These are very difficult and unsettling times that requires sacrifices of us all for the greater good. I want to assure you of my prayers through this all. Though we will no longer be able to have public masses during this time, we will keep the church (not OLQA Chapel) open for prayer daily. Christ the King is a beautiful community of faith and that will not change even if we are unable to be around each other physically for the time being. Please continue to pray for one another and please reach out to those who may be isolated or afraid. I do not know how long this will last, but be assured that the priests here at Christ the King will continue to celebrate daily the Holy Sacrifice of the Mass (albeit privately in the Rectory chapel). I know that not having mass will be very difficult for many of you, but (instead of asking for special exemptions) it is not that different than those times in our history (and even today) when people were not able to go to mass because of persecutions. The faith was not lost because people like you kept the faith at home among their families through other prayers and devotions. May we never again take the Eucharist for granted! I look forward to the day when we can resume our normal activities, but until then, let us all find opportunities to pray in private that this crisis may pass and that we emerge from this stronger than ever!

- Fr. Len

## Pray

*"It is in times like these that we should turn to our faith in God even more."* If you missed Fr. Len's article in this last weekend's bulletin, [click here](#). We will be providing resources and links for you to use at home to deepen your prayer life and continue growth in your faith. This information will be posted once available. (At the bottom of this document is a prayer for a pandemic.)

## Take Care of One Another

Do your part to prevent the spread of the Coronavirus and follow all guidelines provided by the [CDC](#). Check-in with your elderly neighbors and see if you can assist them with errands. As Fr. Len tweeted yesterday, *"Please, please take the spread of the #coronavirus seriously! We owe it to our elderly, the Greatest Generation, by NOT going out and continuing life as normal. They won WW2 through heroic sacrifices; let's do our part by making the sacrifice of social distancing. Stay home!"*

# PRAYER FOR A PANDEMIC

May we who are merely inconvenienced  
Remember those whose lives are at stake.

May we who have no risk factors  
Remember those most vulnerable.

May we who have the luxury of working from  
home, Remember those who must choose  
between preserving their health or making their  
rent. May we who have the flexibility to care for  
our children when their schools close,  
Remember those who have no options.

May we who have to cancel our trips  
Remember those that have no place to go.  
May we who are losing our margin money in the  
tumult of the economic market, Remember  
those who have no margin at all.

May we who settle in for a quarantine at home  
Remember those who have no home.  
During this time when we cannot physically wrap  
our arms around each other, Let us yet find  
ways to be the loving embrace of God to our  
neighbors. Amen.
