

Frequently Asked Questions

When will the work begin?

The work will begin as the funds become available from the Celebrate Youth campaign. Our goal is to be able to begin demolition at the close of school in 2023.

What will happen if we go over our goal?

All donations collected after we exceed our goal will be put towards the ongoing needs of our Youth.

How does a pledge differ from a one-time gift?

Payments over time is common for large purchases. A pledge to the Celebrate Youth campaign is the same and makes it possible for you to make a more significant contribution than a one-time gift to the campaign without undue hardship.

Is my pledge over and above Sunday Offering?

In short, yes. We can only reach our goal with a little extra sacrifice by our parish family. The parish will continue to have normal operating expenses during the pledge period and reduction of Sunday Offerings would impact day to day operations of the parish.

Who will be asked to support the Campaign?

Every member of our parish family will be asked to consider a gift according to their financial ability. We pray everyone will play a conscientious role in renewing the future of the parish.

What if I am unable to fulfill my pledge?

Pledges are made in good faith and accepted as such. If illness or hardship prevents you from fulfilling your pledge, simply let the parish know and other arrangements will be made.

It is not enough to love the young, they must know that they are loved. — St. John Bosco

Your Commitment

Stocks & Bonds

There are added advantages to giving stocks, bonds and securities. Not only will you receive credit for a charitable gift towards our campaign, you are also exempt from paying tax on the profit realized from the original investment if it has been held for more than one year. Speak with your financial advisor for more information on making these types of charitable donations.

IRA Gifts

If you are over 70½ years old, you may be eligible to make a charitable gift from your IRA assets of up to \$100,000 per year with no tax complications. These types of gifts must be transferred directly and count toward your minimum required distribution. Again, it is recommended you speak with your financial advisor for more information.

Tax Deductible Gifts

All gifts are tax deductible as provided by law. Receipts will be provided for all gifts.

Wills & Bequests

What type of legacy will you leave? Remembering Christ the King in your will or making a bequest leaves a lasting legacy at our parish. It also allows you to contribute in a way you currently may not be able to. There are significant federal and estate tax advantages through these gifts.

Matching Gift Programs

Many corporate firms have a matching gift program which provide employee incentives to make charitable donations. As the employee you will need to initiate the process and complete necessary paperwork. Retired employees may also be eligible. Inquire with your human resources or personnel department for more information.

Pledge Payments

You will receive reminder notices in accordance with the payment method and schedule you select. To learn more, contact Patrick Laratta, Stewardship Coordinator, at 813.876.5841 or PLaratta@CTK-Tampa.org.
